STOP & PONDER

Consider what you are taking into your system; remember that nature has an extra strain in throwing off the wrong medicine, and you are thus put back in trying to gain health. Look at the *past record* of "L. F." Atwood's Medicine or Bitters, it is unexcelled. Liver and Bowel Troubles, Dyspepsia, Impure Blood, Sick Headache are cured by it. Take only the true "L. F." and beware of *cheap* imitations.

LOOK HER

Wisdom and *solid facts* prove "L. F." Atwood's Medicine the *most reliable* and safest remedy yet produced. For 35 years this Medicine has relieved and cured thousands of cases of Indigestion, Dyspepsia, Impure Blood, Liver and Bowel troubles and also Sick Headache. *Cheap Compounds*, which are utterly worthless as medicine, imitating the *true* "L. F." Atwood's Bitters are in the market. Beware, buy *only* the "L. F."

PREFACE.

We again present to our patrons and the public a new edition of the Bath, Brunswick and Richmond directory, being No. 7 of the regular series, hoping it will give all the desired information required in such a work.

We wish especially to call the attention of persons using the directory, to the importance of knowing the precise spelling of a name, before looking for it, as names, pronounced the same, but spelled in various ways, will appear on different pages, and at quite a distance from each other.

Our agents have received the usual courteous attention from all with whom they have come in contact while obtaining the information for this number, and with many thanks for the same,

We remain, very respectfully,

INVALIDS' ROLLING

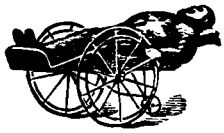
BATH CHAIRS.



TRUSSES,

A large assortment of best patterns from which to select, to meet the requirements of each case. If convenient, persons requiring Trusses should call at our establishment where they can have a suitable Truss carefully fitted by a competent and experienced person familiar with the anatomy of hernia. When a call in person is impracticable, a careful description should be sent, stating whether the rupture is on the right or left side; also the measure around the person, two inches below the top of the hip bone. If the rupture is at the navel, the measure should be around the body at the navel. N. B.—Ladies attended by those of their own sex.

For Varicose Veins, Swollen Limbs, and Weak Joints. Of these goods we have several classes of silk and cotton, possessing different degrees of elasticity; the stout silk being usually the most satisfactory. The sizes are full length (of leg), three quarters, half or knee hose, knee caps, and anklets. Unusual sizes made to order. Also,

Elastic and Spring Abdominal Supporters, Shoulder Braces, Suspensory Bandages, Apparatus for Weak Ankles, Bow-Legs, Club-Feet, etc. Also, Crutches of various and most improved kinds; Syringes' Rubber Urinals to wear on the person day or night, for Males and Females; Galvanic Batteries, Hearing Trumpets, Auricles, and Conversation Tubes for the Deaf.

"1503. CODMAN & SHURLTEFF, Boston, Mass. One Case Surgical Instruments and Atomizers

"The Committee have no hesitation in awarding for this superb exhibition the highest premium * * * The various other instruments for inhalation of atomized liquids, and for Local Anæsthesia, were all apparently faultless, both in design and workmanship. The exhibitors are regarded as more especially deserving of the highest token of merit for having produced nothing except their own manufacture.
