PREFACE

Volume XIII of the Brunswick Directory including Bowdoin, Bowdoinham, Harpswell and Topsham, is issued on the regular biennial term. This directory will be found authoritative for spelling, occupations and addresses to the highest degree of accuracy. The names of married women will be found in parentheses with the husband's name. A street and house directory is included for Brunswick, Topsham, Bowdoin and Bowdoinham, providing this valuable guide to the streets, which doubles the value of the book to the user. A discontinuance of several streets and the addition of many new dwelling units are among the changes brought about by the activities of the United States Navy in enlargement of the Naval Air Station. Thousands of corrections in compiling, together with nearly 2000 new names, entails a net change of over 66% from the previous issue.

The special information showing property owners is complete in this issue—an added service without extra cost to subscribers.

We courteously thank all who have assisted in the preparation of the Directory and especially wish to extend thanks to the business firms whose patronage has been the means of producing so complete a volume.

Street and House Directory

1944-'45

The system for numbering the streets of the town is as follows: Starting at the beginning of a street or avenue, the even numbers will be found on the right side and the odd numbers on the left. Heads of families and persons in business are shown in the order of their location on each street. Houses on country roads without numbers are shown by a (0). Railroad crossings, street intersections, bridges, etc., are usually shown by a dash (—), except when a number is given for them.

ABBREVIATIONS—Ave, avenue; blk, block; byd, beyond; dept, department; mnfr; manufacturer; n, near; r, rear; rd, road; rep, repairer; rm, room; s r, summer resident; st, street.

1944-'45

The system for numbering the streets of the town is as follows: Starting at the beginning of a street or avenue, the even numbers will be found on the right side and the odd numbers on the left. Heads of families and persons in business are shown in the order of their location on each street. Houses on country roads without numbers are shown by a (0). Railroad crossings, street intersections, bridges, etc., are usually shown by a dash (—), except when a number is given for them.

ABBREVIATIONS—Ave, avenue; blk, block; byd, beyond; dept, department; mnfr; manufacturer; n, near; r, rear; rd, road; rep, repairer; rm, room; s r, summer resident; st, street.

There is a Fixed Cost of City Directory Production

●

There is a necessary fixed cost in production of a Directory. The City does not pay for it — the subscribers do.

If there were only ONE sponsor he would necessarily bear the whole cost.

If there were 1,000 sponsors each would bear 1/1,000 of the cost.

MORAL: To keep directory costs DOWN and directory service UP, do your share. Don't be a Borrower — Be Fair.

Merchants referred to as "Borrowers" of the Directory unthinkingly injure themselves in the public estimation. Someone else has to pay for it for them.

A Directory Good Enough to Use is Good Enough to Advertise in.

BUSINESS DIRECTORY

— OF —

Bowdoin, Bowdoinham, Brunswick, Harpswell and Topsham, Maine

1944-'45

Five prosperous and growing towns with a population of over 18,000; famed for wide streets, beautiful homes and picturesque environment. Brunswick, widely known as the seat of Bowdoin College, one of the oldest and foremost universities in the United States, is twenty-six miles from Portland and 143 miles from Boston, with excellent railway connections and bus service to all points in New England. Seacoast is on Casco Bay with wonderful views and wooded shores. An ideal manufacturing center. Situated on the Androscoggin River, a few miles from Bath, on one of the best waterpower sites in Maine. Pure Water—abundant electric power. Industrial harmony. Superior educational advantages, with modern school buildings. Excellent banking facilities, one National and one Savings Bank. Interesting inducements to manufacturers. Live Chamber of Commerce.

The following is a classified list of all Trades, Professions, etc., arranged alphabetically. In this list the towns are arranged alphabetically as well as the names in each town.

NOTE especially that it has been found essential (as a general rule) to insert names of firms, or individuals, under the ONE heading which best represents them, except in the case of patrons, when extra insertions are sometimes made.

Numbers after address indicate the Rural Delivery number and unless otherwise specified this means the rfd from the town itself.

Abbreviations:—B., Brunswick; L. F., Lisbon Falls; Pej., Pejepscot; pg., page; r., rear; smr., summer.

☞For complete Business Directory of Harpswell, see Casco Bay Directory.
