BOWDOIN COLLEGE

BOWDOIN COLLEGE was incorporated by the General Court of Massachusetts, upon the joint petition of the Association of Ministers and the Court of Sessions of Cumberland County. The act of incorporation was signed by Governor Samuel Adams, June 24, 1794. The legal designation of the Corporation is the President and Trustees of Bowdoin College.

The College was named in honor of James Bowdoin, a distinguished Governor of Massachusetts, of Huguenot descent. The government has been, from the first, vested in two concurrent Boards, the Trustees and the Overseers, the Trustees initiating legislation and the Overseers concurring or vetoing. Since 1870 one-half the vacancies occurring in the Board of Overseers have been filled from nominations from the body of the Alumni.

The earliest patron of the College was the Hon. James Bowdoin, son of the Governor. He gave land, money and apparatus during his lifetime and at his death made the College his residuary legatee. His library, collected during his residence in Europe as Minister to Spain and France, contained some 2,000 volumes and as many more pamphlets. It was rich in French literature and history and rare tracts on American history, and included almost everything in print on Mineralogy. His art collection, also bequeathed to the College, contained seventy paintings and one hundred and forty-two drawings by old and modern masters; among the paintings were the portraits of Thomas Jefferson and James Madison by Gilbert Stuart.

Circumstances delayed the opening of the College until 1802 when Rev. Joseph McKeen, D.D., was elected its first president. Seven other presidents have since held office: Rev. Jesse Appleton, D.D., 1807-1819; Rev. William Allen, D.D., 1819-1839; Rev. Leonard Woods, D.D., LL.D., 1839-1866; Rev. Samuel Harris, D.D., LL.D., 1866-1871; Gen. Joshua Lawrence Chamberlain, LL.D., 1871-1883; Rev. William DeWitt Hyde, D.D., LL.D, 1885-1917; and Kenneth Charles Morton Sills, LL.D., 1918 to date.

More than eleven thousand, six hundred students have been admitted, and seven thousand, seven hundred, and eighty-three degrees have been awarded. The living graduates number three thousand, five hundred and twelve.

Among the graduates have been: Henry Wadsworth Longfellow, Nathaniel Hawthorne, Franklin Pierce, and Robert Edwin Peary.

The impression that we are "well known" or that "everybody knows us" is a common fallacy of the mind. Experts have studied the actual facts by practical questions aimed at the public. Their finding is this: The best known business man is only one-half as well known as he thinks he is.

Do not let this fallacious reasoning take a toll from YOUR business—advertise it.

PREFACE

Volume VII of the Brunswick Directory including Bowdoin, Bowdoinham, Harpswell and Topsham, has been produced by the most modern and complete system of compilation and is guaranteed authoritative for the information included within its scope. The system used herein is based on a complete house to house canvass of every street and country road, supplemented by other sources of reliable information. The names of married women will be found in parenthesis with the husband's name. A street and house directory is included for Brunswick, Topsham, Bowdoin and Bowdoinham providing this valuable guide to the streets which doubles the value of the book to the user.

We courteously thank all who have assisted in the preparation of the Directory and especially wish to extend credit to the business firms whose patronage has been the means of producing so complete a volume.

CROWLEY & LUNT

IMPORTANT

BEFORE LOOKING UP A NAME, you must be sure you know how to SPELL IT. The Directory is almost invariable correct, but YOU are often led astray by trying to find your party under some name by which you may know him, but which is really not his name at all.

It becomes necessary, then, to have the full name and the correct spelling when you wish to locate a person. When you are sure you are right, go ahead. That's what the Directory tries to do.

THE SIGN OVER YOUR DOOR

Is a good thing, isn't it? You would not think of doing business without it.

But it is only seen by those who pass your way.

If you could put a sign where everyone could see it, it would interest you, would it not?

THE DIRECTORY

is where people look for you when they want to do business. You should make it easy for them to find you by putting such information as the buyer wants in the Directory, properly indexed under all the headings where he might look for you.

IMPORTANT

BEFORE LOOKING UP A NAME you must be sure you know how to **SPELL IT.** The Directory is almost invariably correct, but you are often led astray by trying to find your party under some name by which you may know him, but which is really not his name at all.

It becomes necessary, then, to have the full name and the correct spelling when you wish to locate a person. When you are sure you are right, go ahead. That's what the Directory tries to do.

STREET and HOUSE DIRECTORY
1932 - '33

The system for numbering the streets of the town is as follows: Starting at the beginning of a street or avenue, the even numbers will be found on the right side and the odd numbers on the left side. Heads of families and persons in business are shown in the order of their location on each street. Houses on country roads without numbers are shown by a cipher (o). Railroad crossings, street intersections, bridges, etc., are usually shown by a dash (—), except when a number is given for them.

ABBREVIATIONS—Ave., avenue; blk., block; byd., beyond; dept., department; mnfr., manufacturer; n., near; r., rear; rd., road; rep., repairer; rm., room; s. r., summer resident; st., street.

CROWLEY & LUNT'S BUSINESS DIRECTORY OF Bowdoin, Bowdoinham, Brunswick and Topsham, Maine

1932 - '33

Four prosperous and growing towns with a population of 14,000; famed for wide streets, beautiful homes and picturesque environment. Brunswick, widely known as the seat of Bowdoin College, one of the oldest and foremost universities in the United States, is twenty-eight miles from Portland and 143 miles from Boston, with excellent railway connections and trolley service to all points in New England. Seacoast is on Casco Bay with wonderful views and wooded shores. An ideal manufacturing center. Situated on the Androscoggin River, a few miles from Bath, on one of the best waterpower sites in Maine. Pure Water—abundant electric power, cheaper than steam. Industrial content. Superior educational advantages, with modern school buildings. Excellent banking facilities, two National and one Savings Bank. Interesting inducements to manufacturers. Live Chamber of Commerce.

The following is a classified list of all Trades, Professions, etc., arranged alphabetically. In this list the towns are arranged alphabetically as well as the names in each town.

NOTE especially that it has been found essential (as a general rule) to insert names of firms, or individuals, under the ONE heading which best represents them, except in the case of patrons, when extra insertions are sometimes made.

Numbers after address indicate the Rural Delivery number and unless otherwise specified this means the rfd from the town itself.

Abbreviations:—B., Brunswick; L. F., Lisbon Falls; Pej., Pejepscot, pg., page; r., rear; smr., summer.

[redacted]For Business Directory of Harpswell, see Casco Bay directory.
