The act of incorporation was signed by Governor Samuel Adams, June 24, 1794. The legal designation of the Corporation is "The President and Trustees of Bowdoin College."

Joshua Lawrence Chamberlain, LL.D., 1871-1883; Rev. William DeWitt Hyde, D.D., LL.D., 1885-1917; and Kenneth Charles Morton Sills, LL.D., 1918 to date.

More than twelve thousand, seven hundred students have been admitted, and eight thousand, four hundred and seventy-one degrees have been awarded. The living graduates number three thousand, eight hundred and thirty-eight.

PREFACE

Volume X of the Brunswick Directory including Bowdoin, Bowdoinham, Harpswell and Topsham, is issued on the regular bi-ennial term. A technically improved system of compilation has been used and the information is authoritative for the district included. The names of married women will be found in parentheses with the husband's name. A street and house directory is included for Brunswick, Topsham, Bowdoin and Bowdoinham, providing this valuable guide to the streets which doubles the value of the book to the user.

The special information showing property owners is now complete in this issue—an added service without extra cost to subscribers.

We courteously thank all who have assisted in the preparation of the Directory and especially wish to extend thanks to the business firms whose patronage has been the means of producing so complete a volume.

Comparisons made by a Springfield, Mass., special committee recently found that for every full page of names in the

City Directory

there were only 8 names in another - quite commonly referred to - book of reference.

The argument that there existed any substitute for a good city directory failed signally.

STREET AND HOUSE DIRECTORY

1938 - '39

The system for numbering the streets of the town is as follows: Starting at the beginning of a street or avenue, the even numbers will be found on the right side and the odd numbers on the left side. Heads of families and persons in business are shown in the order of their location on each street. Houses on country roads without numbers are shown by a cipher (0). Railroad crossings, street intersections, bridges, etc., are usually shown by a dash (—), except when a number is given for them.

ABBREVIATIONS—Ave, avenue; blk, block; byd, beyond; dept, department; mnfr, manufacturer; n, near; r, rear; rd, road; rep, repairer; rm, room; s r, summer resident; st, street.

BUSINESS DIRECTORY

— OF —

Bowdoin, Bowdoinham, Brunswick, Harpswell and Topsham, Maine

1938 - '39

Five prosperous and growing towns with a population of over 16,000; famed for wide streets, beautiful homes and picturesque environment. Brunswick, widely known as the seat of Bowdoin College, one of the oldest and foremost universities in the United States, is twenty-eight miles from Portland and 143 miles from Boston, with excellent railway connections and bus service to all points in New England. Seacoast is on Casco Bay with wonderful views and wooded shores. An ideal manufacturing center. Situated on the Androscoggin River, a few miles from Bath, on one of the best waterpower sites in Maine. Pure Water—abundant electric power, cheaper than steam. Industrial content. Superior educational advantages, with modern school buildings. Excellent banking facilities, one National and one Savings Bank. Interesting inducements to manufacturers. Live Chamber of Commerce.

The following is a classified list of all Trades, Professions, etc., arranged alphabetically. In this list the towns are arranged alphabetically as well as the names in each town.

NOTE especially that it has been found essential (as a general rule) to insert names of firms, or individuals, under the ONE heading which best represents them, except in the case of patrons, when extra insertions are sometimes made.

Numbers after address indicate the Rural Delivery number and unless otherwise specified this means the rfd from the town itself.

Abbreviations:—B., Brunswick; L. F., Lisbon Falls; Pej., Pejepscot; pg., page; r., rear; smr., summer.

☞For complete Business Directory of Harpswell, see Casco Bay Directory.

is the most effective and most economical method of reaching all the people all the time. Those who buy without looking at the list of those who sell do themselves great injustice. Spelling IS Important

The United States Government has found it costly and wasteful of time to misspell proper names. Cases have been obliged to pass twice through the Senate for the simple error of spelling a first name wrong.

GIVE YOUR CUSTOMER, OR CORRESPONDENT THE COURTESY OF CORRECTLY SPELLING HIS OR HER NAME. FIND IT IN THE CITY DIRECTORY.
