THE SIGN OVER YOUR DOOR

Is a good thing, isn't it? You would not think of doing business without it.

But it is only seen by those who pass your way.

If you could put a sign where everyone could see it, it would interest you, would it not?

THE DIRECTORY

is where people look for you when they want to do business. You should make it easy for them to find you by putting such information as the buyer wants in the Directory, properly indexed under all the headings where he might look for you.

To be properly registered costs less than to be left out.

There is a Fixed Cost of City Directory Production

●

There is a necessary fixed cost in production of a Directory. The City does not pay for it — the *subscribers* do.

If there were only ONE sponsor he would necessarily bear the whole cost.

If there were 1,000 sponsors each would bear 1 1,000 of the cost.

MORAL: To keep directory costs DOWN and directory service UP, do your share. Don't be a Borrower — Be Fair.

Merchants referred to as "Borrowers" of the Directory unthinkingly injure themselves in the public estimation. *Someone else has to pay for it for them.*

A Directory Good Enough to Use is Good Enough to Advertise in.

PREFACE

Volume XII of the Brunswick Directory including Bowdoin, Bowdoinham, Harpswell and Topsham, is issued on the regular bi-ennial term. This directory will be found authoritative for spelling, occupations and addresses to the highest degree of accuracy. The names of married women will be found in parentheses with the husband's name. A street and house directory is included for Brunswick, Topsham, Bowdoin and Bowdoinham, providing this valuable guide to the streets, which doubles the value of the book to the user. Addition of a large number of new names together with thousands of corrections in compiling, on a two year basis, shows a net change of over 60% from the previous issue.

The special information showing property owners is complete in this issue—an added service without extra cost to subscribers.

We courteously thank all who have assisted in the preparation of the Directory and especially wish to extend thanks to the business firms whose patronage has been the means of producing so complete a volume.

CROWLEY & LUNT.

Why

Do So Many Advertisers Use the City Directory

Why?

Nearly every business has one or more copies.

No waste circulation.

The Advertisement Lives and works for a year or more.

City Directories are used many times each day.

"Reference Advertisement" is used by the buyers.

City Directories are used by buyers when in a buying mood.

The advertisement is in nearly every store, office, and factory every day of the year.

A City Directory never gets dusty — it is used too much.

The advertisement is always before the Buyer, every day.

F. J. GOSSELIN & SONS Philco Radios Speed Queen Washers

The Quality Furniture Store 68 Maine St., BRUNSWICK, ME.

Advertising clubs and all successful advertising merchants agree that the most valuable asset in any form of advertising is . . . .

Build-Up Advertising

Thus, by building up public knowledge of the name and, of course, keeping the public confidence in the goods sold, progress is made surely and business increases.

As an example, any large metropolitan store will admit that the hundreds of thousands spent in advertising are largely assets for the NAME OF THE STORE, as no single advertisement ever returns one tenth the cost of insertion in a large newspaper, in sales which can be checked up from that particular advertisement.

DIRECTORY ADVERTISING is rated on the list of best available media for local name advertising. Its small cost, plus the value of the enumerated names, gives it hearty support.

A DIRECTORY

has a large potential "consultant use,"
easily proven to be

OVER A MILLION READERS A YEAR

ON A BASIS OF 1000 BOOKS ONLY
IN A DISTRICT

Consider the effect of this as NAME ADVERTISING, and do not forget that the book is commonly almost the first thing seen by newcomers in a district, who need facts and information.

Street and House Directory

1942-'43

The system for numbering the streets of the town is as follows: Starting at the beginning of a street or avenue, the even numbers will be found on the right side and the odd numbers on the left side. Heads of families and persons in business are shown in the order of their location on each street. Houses on country roads without numbers are shown by a (0). Railroad crossings, street intersections, bridges, etc., are usually shown by a dash (—), except when a number is given for them.

ABBREVIATIONS—Ave, avenue; blk, block; byd, beyond; dept, department; mnfr, manufacturer; n, near; r, rear; rd, road; rep, repairer; rm, room; s r, summer resident; st, street.

Street and House Directory

1942 - '43

The system for numbering the streets of the town is as follows: Starting at the beginning of a street or avenue, the even numbers will be found on the right side and the odd numbers on the left side. Heads of families and persons in business are shown in the order of their location on each street. Houses on country roads without numbers are shown by a (0). Railroad crossings, street intersections, bridges, etc., are usually shown by a dash (—), except when a number is given for them.

ABBREVIATIONS—Ave, avenue; blk, block; byd, beyond; dept, department; mnfr, manufacturer; n, near; r, rear; rd, road; rep, repairer; rm, room; s r, summer resident; st, street.

Advertising clubs and all successful advertising merchants agree that the most valuable asset in any form of advertising is . . . .

Build-Up Advertising

Thus, by building up public knowledge of the name and, of course, keeping the public confidence in the goods sold, progress is made surely and business increases.

As an example, any large metropolitan store will admit that the hundreds of thousands spent in advertising are largely assets for the NAME OF THE STORE, as no single advertisement ever returns one tenth the cost of insertion in a large newspaper, in sales which can be checked up from that particular advertisement.

DIRECTORY ADVERTISING is rated on the list of best available media for local name advertising. Its small cost, plus the value of the enumerated names, gives it hearty support.

A DIRECTORY

has a large potential "consultant use,"

easily proven to be

OVER A MILLION READERS A YEAR

ON A BASIS OF 1000 BOOKS ONLY IN A DISTRICT

Consider the effect of this as NAME ADVERTISING, and do not forget that the book is commonly almost the first thing seen by newcomers in a district, who need facts and information.

CROWLEY & LUNT'S
BUSINESS DIRECTORY
— OF —
Bowdoin, Bowdoinham, Brunswick, Harpswell and Topsham, Maine
1942-'43

Five prosperous and growing towns with a population of over 16,000; famed for wide streets, beautiful homes and picturesque environment. Brunswick, widely known as the seat of Bowdoin College, one of the oldest and foremost universities in the United States, is twenty-eight miles from Portland and 143 miles from Boston, with excellent railway connections and bus service to all points in New England. Seacoast is on Casco Bay with wonderful views and wooded shores. An ideal manufacturing center. Situated on the Androscoggin River, a few miles from Bath, on one of the best waterpower sites in Maine. Pure Water—abundant electric power, cheaper than steam. Industrial content. Superior educational advantages, with modern school buildings. Excellent banking facilities, one National and one Savings Bank. Interesting inducements to manufacturers. Live Chamber of Commerce.

The following is a classified list of all Trades, Professions, etc., arranged alphabetically. In this list the towns are arranged alphabetically as well as the names in each town.

NOTE especially that it has been found essential (as a general rule) to insert names of firms, or individuals, under the ONE heading which best represents them, except in the case of patrons, when extra insertions are sometimes made.

Numbers after address indicate the Rural Delivery number and unless otherwise specified this means the rfd from the town itself.

Abbreviations:—B., Brunswick; L. F., Lisbon Falls; Pej., Pejepscot; pg., page; r., rear; smr., summer.

☞For complete Business Directory of Harpswell, see Casco Bay Directory.
*Patrons' insertions only under these headings.
