PREFACE

Volume XVII of the Brunswick Directory including Bowdoin, Bowdoinham, Harpswell and Topsham, is issued on the regular biennial term. This directory covers occupations and addresses to the highest possible degree of accuracy. It should be noted that postoffices entirely outside the town in which persons live must be indicated on much of the mail in this district. The proper mailing address is given for each name. The fact that, for example, Bowdoin town mail goes to eight different postoffices and that, under recent Postoffice Department rulings, improperly addressed mail will be returned to writer, makes it imperative that proper address— be given to all mail. The names of married women will be found in parentheses with the husband's name. A street and house directory is included for Brunswick, Topsham, Bowdoin and Bowdoinham, providing this valuable guide to the streets, which doubles the value of the book to the user. The five towns show thousands of corrections in compiling, and new names effecting a net change of over 68% from the previous issue.

Special information showing property owners and location of telephones is included in this issue.

We courteously thank all who have assisted in the preparation of the Directory and especially wish to extend thanks to the business firms whose patronage has been the means of producing so complete a volume.

1953-'54

The system for numbering the streets of the town is as follows: Starting at the beginning of a street or avenue, the even numbers will be found on the right side and the odd numbers on the left. Railroad crossings, street intersections, bridges, etc., are usually shown by a dash (—), except when a number is given for them.

ABBREVIATIONS—Ave, avenue; blk, block; byd, beyond; dept, department; mnfr, manufacturer; nr, near; r, rear; rd, road; rep, repairer; rm, room; s, r, summer resident; st, street.

The system for numbering of a street of the town is as follows: Starting at the beginning of a street or avenue, the even numbers will be found on the right side and the odd numbers on the left. Railroad crossings, street intersections, bridges, etc., are usually shown by a dash (—), except when a number is given for them.

ABBREVIATIONS—Ave, avenue; blk, block; byd, beyond; dept, department; mnfr, manufacturer; n, near; r, rear; rd, road; rep, repairer; rm, room; s r, summer resident; st, street.

BUSINESS DIRECTORY

— OF —

Bowdoin, Bowdoinham, Brunswick, Harpswell and Topsham, Maine

1953-'54

Five prosperous and growing towns with a population of over 18,000; famed for wide streets, beautiful homes and picturesque environment, Brunswick, widely known as the seat of Bowdoin College, one of the oldest and foremost universities in the United States, is twenty-six miles from Portland and 143 miles from Boston, with excellent railway connections and bus service to all points in New England. Sea coast is on Casco Bay with wonderful views and wooded shores. An ideal manufacturing center. Situated on the Androscoggin River, a few miles from Bath, on one of the best waterpower sites in Maine. Pure Water—abundant electric power. Industrial harmony. Superior educational advantages, with modern school buildings. Three banks. Interesting inducements to manufacturers. Live Chamber of Commerce.

The following is a classified list of all Trades, Profession, etc., arranged alphabetically. In this list the towns are arranged alphabetically as well as the names in each town.

NOTE especially that it has been found essential (as a general rule) to insert names of firms, or individuals, under the ONE heading which best represents them, except in the case of patrons, when extra insertions are sometimes made.

Numbers after address indicate the Rural Delivery number and unless otherwise specified this means the rfd from the town itself.

Abbreviations:—B., Brunswick; H.Ctr., Harpswell Center; L. F., Lisbon Falls; N. H., North Harpswell; Pej., Pejepscot; pg., page; r., rear; S. H., South Harpswell; smr., summer; W. H., West Harpswell.

☞For complete Business Directory of Harpswell, see Casco Bay Directory.
