BOWDOIN COLLEGE

Bowdoin College was incorporated by the General Court of Massachusetts, upon the joint petition of the Association of Ministers and the Court of Sessions of Cumberland County. The act of incorporation was signed by Governor Samuel Adams, June 24, 1794. The legal designation of the Corporation is "The President and Trustees of Bowdoin College."

Circumstances delayed the opening of the College until 1802, when Rev. Joseph McKeen, D.D., was elected its first president. Eight other presidents have since held office. Rev. Jesse Appleton, D.D., 1807-1819; Rev. William Allen, D.D., 1810-1839; Rev. Leonard Woods, D.D., LL.D., 1839-1866; Rev. Samuel Harris, D.D., LL.D., 1866-1871; Gen. Joshua Lawrence Chamberlain, LL.D., 1871-1883; Rev. William DeWitt Hyde D.D., LL.D., 1885-1917; Kenneth Charles Morton Sills, L.H.D., LL.D., 1918-1952; and James Stacy Coles, Ph.D., LL.D., 1952 to date.

Among the graduates have been: Henry Wadsworth Longfellow, Nathaniel Hawthorne, Franklin Pierce and Robert Edwin Peary.

BAXTER'S FINEST

H. C. BAXTER & BRO. BRUNSWICK, ME.

From coast to coast, border to border and in many foreign countries, the Baxter trade mark and signature is an assurance of deliciously different "garden fresh" Maine-grown and packed vegetables.

The names BAXTER and BRUNSWICK are your guarantee of finest quality at a fair price. That's why, at home and abroad, housewives, in constantly increasing numbers, are asking their grocers for "Baxter's Finest" Products. Why don't you?

PREFACE

Volume XVIII of the Brunswick Directory including Bowdoin, Bowdoinham, Harpswell and Topsham, is issued on the regular biennial term. It should be noted that postoffices entirely outside the town in which persons live must be indicated on much of the mail in this district. The proper mailing address is given for each name. The fact that, for example, Bowdoin town mail goes to eight different postoffices and that, under recent Postoffice Department rulings, improperly addressed mail will be returned to writer, makes it imperative that proper address — be given to all mail. The names of married women will be found in parentheses with the husband's name. A street and house directory is included for Brunswick, Topsham, Bowdoin and Bowdoinham, providing this valuable guide to the streets, which doubles the value of the book to the user. The five towns show thousands of corrections in compiling, and new names effecting a net change of over 67% from the previous issue.

Special information showing property owners and location of telephones is included in this issue.

We courteously thank all who have assisted in the preparation of the Directory and especially wish to extend thanks to the business firms whose patronage has been the means of producing so complete a volume.

October, 1955

Street and House Directory

1955-'56

The system for numbering the streets of the town is as follows: Starting at the beginning of a street or avenue, the even numbers will be found on the right side and the odd numbers on the left. Heads of families and persons in business are shown in the order of their location on each street. Huoses on country roads without numbers are shown by a (0). Railroad crossings, street intersections, bridges, etc., are usually shown by a dash (—), except when a number is given for them.

ABBREVIATIONS—Ave, avenue; blk, block; byd, beyond; dept, department; mnfr, manufacturer; nr, near; r, rear; rd, road; rep, repairer; rm, room; s, r, summer resident; st, street.

◉ Indicates property ownership represented in some member of family.

Street and House Directory

1955-'56

The system for numbering of a street of the town is as follows: Starting at the beginning of a street or avenue, the even numbers will be found on the right side and the odd numbers on the left. Heads of families and persons in business are shown in the order of their location on each street. Houses on country roads without numbers are shown by a (0). Railroad crossings, street intersections, bridges, etc., are usually shown by a dash (—), except when a number is given for them.

ABBREVIATIONS—Ave, avenue; blk, block; byd, beyond; dept, department; mnfr, manufacturer; n, near; r, rear; rd, road; rep, repairer; rm, room; s r, summer resident; st, street.

◉—Property ownership represented in some member of family.

BUSINESS DIRECTORY

— OF —

Bowdoin, Bowdoinham, Brunswick, Harpswell and Topsham, Maine

1955-'56

Five prosperous and growing towns with a population of over 18,000; famed for wide streets, beautiful homes and picturesque environment. Brunswick, widely known as the seat of Bowdoin College, one of the oldest and foremost universities in the United States, is twenty-six miles from Portland and 143 miles from Boston, with excellent railway connections and bus service to all points in New England. Sea coast is on Casco Bay with wonderful views and wooded shores. An ideal manufacturing center. Situated on the Androscoggin River, a few miles from Bath, on one of the best waterpower sites in Maine. Pure Water—abundant electric power. Industrial harmony. Superior educational advantages, with modern school buildings. Three banks. Interesting inducements to manufacturers. Live Chamber of Commerce.

The following is a classified list of all Trades, Profession, etc., arranged alphabetically. In this list the towns are arranged alphabetically as well as the names in each town.

NOTE especially that it has been found essential (as a general rule) to insert names of firms, or individuals, under the ONE heading which best represents them, except in the case of patrons, when extra insertions are sometimes made.

Numbers after address indicate the Rural Delivery number and unless otherwise specified this means the rfd from the town itself.

Abbreviations:—B., Brunswick; H.Ctr., Harpswell Center; L. F., Lisbon Falls; N. H., North Harpswell; Pej., Pejepscot; pg., page; r., rear; S. H., South Harpswell; smr., summer; W. H., West Harpswell.

*Patrons' insertions only under these headings.

WELL DRILLER

Approved Member New England Water Well Drilling Asso., Inc.

Constructing your well with a leak-proof joint between the well-casing and the ledge makes a "Palmer" well an investment rather than a gamble. For a properly constructed well you can rely on our long experience, up-to-date methods, modern equipment, and skilled help.

If George L. Palmer Does Your Well Work, You Are Guaranteed The Following Advantages:

Expert Advice.
Free Information.
30 years experience, 31 years in our present location, providing a know-how for difficult or unusual jobs.
Modern methods.
Modern equipment.
Skilled workers.
Only new, full-weight casing furnished. Written contract for your protection.
Inspection and questions while work is in progress welcomed.
