#### **Harding Cemetery**

Harding Cemetery, also known as Thompson Brook Cemetery is located on the Old Bath Road in Brunswick, Cumberland County, Maine. It is situated on the south side of the road on a rise and is partially fenced. The cemetery consists of 290 stones, the earliest dated 1830, and is still active. A flagpole located near the center of the cemetery has at its base a granite slab marked:

#### DEDICATED TO OUR VETERANS BY THE GRATEFUL CITIZENS OF BRUNSWICK

#### Contents

1) Map illustrating the general arrangement of the cemetery and indicating the numbering of the detail maps.

2) Detail maps indicating the placement of the individual stones and markers.

3) Record of each individual stones inscription.

4) Index by family name giving the location in the cemetery corresponding to the maps and text.

#### Note

Numbering of the markers is only as an aid in locating the stone within the context of this survey and do not represent any town or cemetery association designation.

Detail maps indicate monuments and marker stones by a dark outline and footstones by a light outline. A double line indicates the side on which the marker stone or monument is inscribed. No double line indicates that the inscription is on the top surface of the stone.

Type of marker, be it Slate, Marble, Granite or Metal is indicated on the detail maps for the cemetery. S = Slate, M = Marble, G = Granite and Mtl. = Metal.

This record of Harding Cemetery was produced by Donald Cheetham of Brunswick. Maine and Mark Cheetham of Richmond, Maine in 2006.

# NEW MEADOWS CEMETERY PURINTON ROAD BRUNSWICK, MAINE

**CUMBERLAND COUNTY** 

Donald & Mark Cheetham, 2006

# **New Meadows Cemetery**

New Meadows Cemetery is located at the present end of the Purinton Road in Brunswick, Cumberland County, Maine. It is situated on the east side of the road and is entirely fenced as is the road leading to it. The cemetery consists of 624 stones, the earliest dated 1792, and is still active. A flagpole located near the center of the cemetery has at its base a granite plaque which is marked:

> Dedicated to our veterans by grateful citizens of Brunswick.

# Contents

1) Map illustrating the general arrangement of the cemetery and indicating the numbering of the ranges.

2) Detail maps indicating the placement of the individual stones and markers by range.

3) Record of each individual stones inscription.

4) Index by family name giving the location in the cemetery corresponding to the maps and text...

# Note

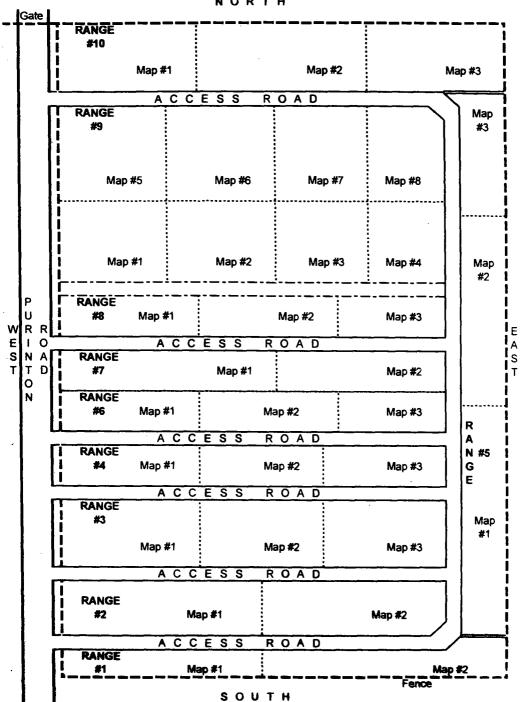

Numbering of the markers is only as an aid in locating the stone within the context of this survey and do not represent any town or cemetery association designation.

Detail maps indicate monuments and marker stones by a dark outline and footstones by a light outline. A double line indicates the side on which the marker stone or monument is inscribed. No double line indicates that the inscription is on the top surface of the stone.

Type of marker, be it Slate, Marble, Granite or Metal is indicated on the detail maps for the cemetery. S = Slate, M = Marble, G = Granite and Mtl. = Metal.

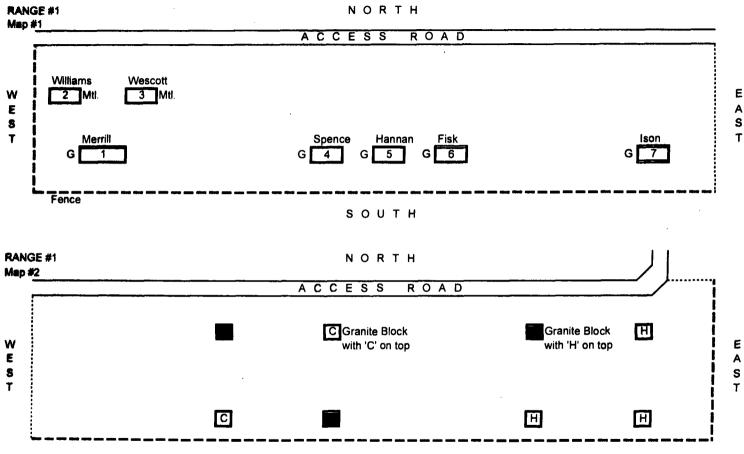

This record of New Meadows Cemetery was produced by Donald Cheetham of Brunswick, Maine and Mark Cheetham of Richmond, Maine in 2006.

JOHN WALLACE. died Dec. 14, 1869. Aet. 78 yr's. Call not back the dear departed, anchored safe where storms are o'er, on thy border land we left him, soon to meet and part no more. Far beyond this world of changes, far beyond this world of care, we shall find our missing loved one, in our Father's mansion fair. FRANCES WALLACE. died Dec. 30, 1877. Aet. 77 yr's. Weep not that her toils are over, weep not that her race is run, God grant we may rest as calmly, when our work, like her's, is done. Till then we yield with gladness, our mother to Him to keep, and rejoice in the sweet assurance, "He giveth his loved ones sleep." WALLACE LH Danforth
