## **Pine Grove Cemetery**

Pine Grove Cemetery is located on Bath Road, in Brunswick, Cumberland County, Maine. The cemetery is on the south side of the road and is enclosed by a chain link fence except along the Bath Road where a new wooden fence has been installed. The cemetery is composed of 2,941 marker stones and monuments with the earliest dated 1794. This land was originally part of the Bowdoin College grounds. In 1821, 2 acres were laid out and deeded by the trustees to be used for the interment of the dead, and if not so used to revert back to the college. Additional land has since been added to the parcel.

A flagpole is located between Range #10 and #11 with its concrete pad reading '1979'. A plaque in front of the flagpole reads:

Dedicated  
to our Veterans  
by the grateful citizens  
of Brunswick

Here is buried what was mortal of the reverend and most learned man, JOSEPH McKEEN, S. T. D., the first president of Bowdoin College. He was born October 15, A.D. 1742. in the State of New Hampshire, where, first of all, instructed in secular learning, he attained academic honors. Afterwards he discharged, actively as well as kindly, the duty of a minister of the Gospel, at Beverly, in the Commonwealth of Massachusetts, for seventeen years. But lately, a college having been auspiciously founded here in this town, not quite five years, with the approbation of all our countrymen, and especially of the educated and pious, he presided over it, as is meet, with dignity and wisdom, faithfully and fortunately, until, embarrassed by a dropsical disease, on the fifteenth day of July, in the year 1807, he fell asleep in the Lord. He was a Christian of sagacious mind, of especially acute discernment, in dignity emulous of former times. but courteous in manner and uniformly kind. He always loved in others, as he himself diligently cultivated, piety, education, the best occupations, and, so far as he could, he promoted them. Sacred to the memory. This monument of grief, alas ! slight consolation, but yet a testimony. the Academic Council have caused to be placed.

Per 'Wheeler's History of Brunswick, Topsham and Harpswell, Maine - 1878' Translates to:

In this tomb are committed the remains of Reverend JESSE APPLETON, S. T. D. The most regretted husband, the best father, and the revered second president of our college. He was a man distinguished by acuteness of mind, composed manners, and benign aspect, occasionally manifesting dignity; but nothing is sacred to inexorable death. Of great erudition, most justly placed amongst the first teachers, but especially deserving the laurel in theological knowledge: for this, where men may presume, he examined and tested. He administered the affairs of the college with incorruptible fidelity and with salutary discipline for twelve years. At length, worn out by excessive vigils and labors, his exalted mind fixed upon celestial things, he betook himself to rest. He so lived as all who are at the point of death may wish themselves to have lived; thus he died, as all themselves about to die might desire. Yet he wished it to be inscribed that he hoped for salvation in Jesus. He was born November 17, 1772. He died November 12, 1819.

The trustees and overseers of Bowdoin College, with the greatest reverence, have erected this monument.

Death hath taken thee too; and thou  
hast the crown of thy life. He has placed  
thee upon his bosom, and his stern continence  
wears a smile. The far country towards which  
we journey seems nearer to us; and the way  
less dark; for thou hast gone before; passing  
so quietly to thy rest that day itself dies  
not more calmly.

Upon thy cradle fortune smiled.  
Thou wert sweet beauty's darling child,  
but thou must not by them beguiled,  
Rest thou in peace !

Thou bloomdst as blooms a lovely flower,  
first opened by the vernal shower,  
that dies beneath the sun's full power,  
and rest in peace !

Like balmy dews their accents fill,  
still, still on memory's ear they dwell,  
too pure were earthly notes to swell,  
they rose to heaven.

Our lov'd one sweet and patient child,

We wish thee darling, Oh ! how much  
our God alone can tell:

He took thee from our loving arms

"He doeth all things well."

The little chair, the empty crib,

and all thy childish toys

reminds us thy dear how brief

are all our earthly joys !

Yet when we think thy little life

has known so much of pain,

we cannot wish thee back

## **Pine Grove Cemetery**

Pine Grove Cemetery is located on Bath Road, in Brunswick, Cumberland County, Maine. The cemetery is on the south side of the road and is enclosed by a chain link fence except along the Bath Road where a new wooden fence has been installed. The cemetery is composed of 2,941 marker stones and monuments with the earliest dated 1794. This land was originally part of the Bowdoin College grounds. In 1821, 2 acres were laid out and deeded by the trustees to be used for the interment of the dead, and if not so used to revert back to the college. Additional land has since been added to the parcel.

A flagpole is located between Range #10 and #11 with its concrete pad reading '1979'. A plaque in front of the flagpole reads:

Dedicated  
to our Veterans  
by the grateful citizens  
of Brunswick

Type of marker is indicated on the detail maps for the cemetery. S = Slate, M = Marble, G = Granite and Mtl. = Metal

This record of Pine Grove Cemetery was produced by Donald Cheetham of Brunswick, Maine and Mark Cheetham of Richmond, Maine in 2005.

Weep not for her, she is an angel now  
and treads the sapphire floors of paradise  
all darkness wiped from her refulgent brow  
sin, sorrow, suffering banished from her eyes.

Victorious over death to her appear  
the vista'd joys of heaven's eternal year.  
weep not for her.
